WHO WE ARE

Director's Message

> “
> At Al Nizami Indsutries, we build more than steel structures. We build trust and long-term partnerships.

Our Commitment

Our Vision

To be India's most trusted fabrication partner

Our Mission

Precision Engineering with Zero Compromise

Safety, Always.

100% PPE, Training & Zero Accident Policy

10+

Expert Engineers on the Team

ABOUT US

Introduction

Al Nizami Industries is a premier contracting and manufacturing firm specializing in high-tier mechanical construction, site works, and complex engineering solutions for the Chemical and Pharmaceutical sectors. Expanding upon our core expertise, our capabilities now comprehensively encompass fabrication, large-scale manufacturing, construction, and detailed mechanical work. With a proven track record of successful project execution across India and a robust operational footprint throughout Maharashtra, we deliver elite expertise in Mechanical Erection and Commissioning.

Type of Company Activities & Services

Manufacturing & Mechanical Work

- Fabrication and Erection of MS/SS/HDPE/PP Storage tanks and Process equipments.
- Fabrication and Erection of heavy structures, encompassing all types of MS/SS Welding and Fabrication Work.
- Fabrication and Erection of Rectangular Tanks and Round Tanks.
- Fabrication & Erection of Utility Pipelines, Pressure Pipelines, and MS/SS/GI Pipelines.
- Fabrication & Fittings of Tre, Bends, and Reducers.
- Pressure Testing of Lines after fabrication & handover to the respective Department.
- Scaffolding Work and Erection of Electrical and Infocom Towers.
- Maintenance services for Heat Exchangers, Drums, and Columns.
- Industrial structural support including Bolt Tensioning, Insulation, and Blasting / Painting.
- Fitting of G.I / ACC / Pre-Coated Sheets.

Civil & Construction Work

- Complete Construction of Buildings and Civil Foundations.
- Construction of RCC / Stone Pitching Drains and Sewage / Water Lines.
- Laying of H.D.P.E. / G. I. Pipe Lines.
- R.C.C Road construction and Area Grading.
- Comprehensive Civil Maintenance, Process Maintenance, and Civil Painting.

Manpower & Resources

To support our expansive civil and mechanical operations, we deploy a highly organized management team and workforce:

- Management & Supervision: Our administrative strength includes dedicated Site Incharges, IR/HR personnel, Engineers, Store Incharges, Safety Officers, Quality Engineers, and Site Supervisors.
- Civil & Mechanical Workforce: We provide skilled & unskilled manpower specifically tailored to site requirements for all civil and mechanical works.
- Trades & Specialties: Our resource pool includes experienced Supervisors, Foremen, Fitters, Welders, Cutters, Grinders, Riggers, Drivers, Operator Khalasis, and Helpers.

We, AL NIZAMI INDUSTRIES, are strongly committed to the safety, quality, productivity & scheduled completion aspects of our projects.

CLIENTELE

We have proudly partnered with leading industry players to deliver transformative mechanical and engineering solutions:

JSW Steel Ltd — *Boisar, Maharashtra* — *2023 - ongoing*

Project work (structural fabrication and erection, process piping, equipment installation)

Viraj Profiles Pvt Ltd — *Boisar, Maharashtra* — *2024 - 2025*

Project work (storage tank and equipment shifting, structural and pipeline fabrication and erection), maintenance work

Aarti Pharmalabs Pvt Ltd — *Atali, Gujarat* — *2023 - ongoing*

Project work (structural fabrication and erection, process piping, equipment installation)

Alchemie Fine Chem Pvt Ltd — *Bharuch, Gujarat* — *2022 - ongoing*

Project work (structural fabrication and erection, process piping, equipment installation)

Ganesh Polychem Limited — *Vapi, Gujarat* — *2021 - ongoing*

Project work (structural fabrication and erection, process piping, equipment installation)

Aarey Drugs & Pharmaceuticals Ltd — *Tarapur, Maharashtra* — *2016 - ongoing*

Project Work (Process Equipment, Storage Tank Shifting & Erection Work. Structure, Pipeline Fabrication & Erection Work), Maintenance Work

Aarti Industries — *Tarapur, Maharashtra* — *2016 - ongoing*

Project Work (Process Equipment, Storage Tank Shifting & Erection Work. Structure, Pipeline Fabrication & Erection Work), Maintenance Work

Siyaram Silk Mill Ltd. — *Tarapur, Maharashtra* — *2017 - 2018*

Heavy Structure Project Work Equipment Shifting Erection Pipe Line Work

CLIENTELE

We have proudly partnered with leading industry players to deliver transformative mechanical and engineering solutions:

Unimax Chemicals Pvt Ltd — *Tarapur, Maharashtra* — *2014 - 2015*

Project Work (Reactor, FBD, Drier Shifting & Erection Work, Utility PipeLines, Process Pipelines, Pressure Lines)

Elegant Creations Pvt Ltd — *Maharashtra* — *2012 - 2013*

Engineering Job Work

Nandolia Organic Chemicals Pvt Ltd — *Tarapur, Maharashtra* — *Ongoing*

Nandosal Industries — *Tarapur, Maharashtra* — *Ongoing*

NGL Fine Chem — *Tarapur, Maharashtra* — *Ongoing*

Macrotech Polychem Pvt Ltd — *Tarapur, Maharashtra* — *Ongoing*

Valiant Organics Ltd — *Tarapur, Maharashtra* — *Ongoing*

Bharat Chemicals — *Tarapur, Maharashtra* — *Ongoing*
